MODERATOR:
Gregory L. LaFollette, CPA, CITP
Greg is Executive Editor of *The CPA Technology Advisor* and Senior Manager – Tax & Technology Consulting with Eide Bailly, LLP. He is a frequent speaker to accountants on matters of technology and firm operation.

SPEAKERS INCLUDE:

Andrew R. Hatfield
Andrew has 14 years of experience in the field of software strategy specializing in the areas of document management, sales and marketing. He is the Chief Strategic Officer and partial Owner of Acct1st Technology Group, LLC. Andrew has provided multiple educational seminars to thousands of accounting firms globally. His expertise is in developing software platforms that provide synergy between accountants, clients, processes and technology. This synergy tremendously improves the way accounting firms do business.

Gary Miller, CPA
Gary has recently joined Acct1st Technology Group as the Director of Business Development. He came from XCM Solutions, which pioneered the first generation of paperless workflow solutions for accounting firms. During the previous three years, he has presented paperless workflow solutions to CPA firms in workshops and through in-firm implementations. Gary has over 25 years of sales and business development experience with technology-driven, financial services firms.

Devin Houlihan, CPA, MCSE, CDIA+
Devin Houlihan has recently joined Acct1st Technology Group as the Director of Technology. Devin came to Acct1st from CCH Incorporated through CCH's acquisition of ePace! Software that developed the award winning paperless engagement software ePace! Engagement. For almost a decade, Devin has been using his unique blend of real world accounting and technical experience to help firms implement paperless engagement software, document management systems, and imaging solutions.
